In this age what someone believes is dependent upon themselves and any philosophical ideology they have developed or the current trend of thought. Everyone has developed his or her own ideologies and concepts. Bringing into play a sense of no "absolute truth." In fact, this is the high theme of the 'New Age' and the catalyst on which Satan's last deception stands. Unfortunately, this has also crept into the church with no warning.

However, from the dawn of man, God had always dialogued with men and has continued to do so. This means that the infinite or variables can be easily deciphered or brought to our scope. Therefore, we can have and always had, Absolute Truth. Without it man is only lost in the paradigm of his own imagination and influences of outward forces. Without it man can only act without the benefit of true spiritual intellectualism - of which we are really spirit beings; we would have denied the purpose, essence and vicissitudes of life.

Without it, we are only playing with life and not really living it; we have become intellectual derelicts and empty geniuses. Without it the church has become the 'synagogue of Satan' and has festered more lies than truth. The often result is deception and Satan's joyous triumph is a beautiful cathedral or church building of sincere people thinking they are saved, when they're not.

We at Liberation International Ministries (Liberation International or LIM for short), will try to show our church populace and community at large, absolute truth, by the grace of God. We will attempt to give you the whole truth and nothing but the truth, so help us God.

In attempting to do this, we have provided the "Truth Series;" for Christians, Muslims, Jews, Satanists, New Agers, Spirit Mediums, Atheists/Agnostics, Buddhists, Hindu's, Free Masons and everyone else.

Other sub ministries and ministerial outlets have been created and we are constantly moving towards new innovative ideas, through the spirit of the Lord.

Our intention is to make absolute truth be known, whether accepted or rejected. Truth will not be replaced, 'side-stepped,' covered up or 'ditched' for any comfort, popularity, fortune or acceptability.

Truth must be known, so let us start with the most fundamental and basic tenets - salvation. God said through the Apostle John, "I have no greater joy, than that my children walk in truth" (3 John 3:8). In other words, if you really want to please God, "walk in truth".
